WHAT DO WE SHOW?

THURSDAYS: INDEPENDENT & WORLD CINEMA

Programmed by: Paul

Broaden your cultural palette with a smorgasbord of some of the most beautiful, thought-provoking, controversial and award-winning films from around the world. Our Thursday-night programme ranges from notable recent releases to hidden gems to classics by some of the biggest names in foreign cinema, plus a smattering of independent films.

Special selections are put on to celebrate events like Black History Month and LGBT+ History Month.

ALTERNATE SUNDAYS: BIG TED'S VIDEO VAULT

Programmed by: Gregg

Gregg takes you on a tour through some of his favourites with an eclectic selection of lo-fi cinema, including some forgotten classics, cult films and some older world cinema.

So, who *is* Big Ted? That's him on the right!

ALTERNATE SUNDAYS: CINEVANGELIST

Programmed by: Jude

Remember watching a film without the marketing having spoiled half the surprises? Cinevangelist screens unknown and underappreciated gems: indie flicks that couldn't afford publicity, mainstream movies buried by bigger releases, stories that studios didn't know how to

market. Basically, amazing films (that you've probably never heard of) that deserve a wider audience... and the titles stay secret so you get to enjoy them completely unspoiled!
