WHAT DO WE SHOW?

THURSDAYS: INDEPENDENT & WORLD CINEMA

Programmed by: Paul

Broaden your cultural palette with a smorgasbord of some of the most beautiful, thought-provoking, controversial and award-winning films from around the world. Our Thursday-night programme ranges from notable recent releases to hidden gems to classics by some of the biggest names in foreign cinema, plus a smattering of independent films.

Special selections are put on to celebrate events like Black History Month and LGBT+ History Month.

ALTERNATE SUNDAYS: BIG TED'S VIDEO VAULT

Programmed by: Gregg

Gregg takes you on a tour through some of his favourites with an eclectic selection of lo-fi cinema, including some forgotten classics, cult films and some older world cinema.

So, who *was* Big Ted? That's him on the right!

ALTERNATE SUNDAYS: CINEVANGELIST

Programmed by: Jude

Remember the fun of watching a film without any idea where it was going? Cinevangelist screens underappreciated gems: both indie and mainstream movies that didn't get much publicity, got buried by bigger releases or were horribly mismarketed. Basically, amazing

films (that you've probably never heard of) that deserve a wider audience... and the titles stay secret so you get to enjoy all the jokes, surprises and twists completely unspoiled!
